San Leandro Diversity Resource Directory

The City of San Leandro embraces and celebrates its tremendously diverse community. Like the Bay Area at large, San Leandro enjoys a community made up of individuals from all backgrounds, and we welcome everyone, regardless of age, physical or mental ability, religious affiliation, marital status, or lifestyle. We have a strong respect for individual and group differences and the contribution that each made to enrich the quality of life for all in San Leandro.

The ability to identify appropriate services and needs upon arrival to a community can be important for new residents and business owners. In addition, providing these essential resources to existing residents can be equally important as they grow and expand their knowledge and interests. The Diversity Resource Directory represents the City's continuing commitment to welcoming and celebrating diversity in our community.

For further assistance, please call the City's Community Relations Representative at 577-3358.
